

The Società Isole Eolie was originally known as the *Società Mutuo Soccorso Isole Eolie* when it was founded in August 1925 to help migrants from the Aeolian Islands of Italy settle in Melbourne. The aims of the Società were modified in 1989 to take into account the changing needs of members within the wider community and hence the name was shortened.

With most of our members now Australian-born, we are today one of the oldest Italo-Australian cultural and social organizations in Australia. Your membership provides support for our activities, which are aimed at maintaining a traditional focus on Aeolian customs and culture in a modern-day setting, whilst continuing to foster our historic links with the *Isole Eolie*.
